ABOUT US

AI BRAND EXHIBIT

AI Brand Exhibit (OPC) Private Limited is a dynamic events, branding and marketing solutions company powered by a team of seasoned professionals with 15+ years of industry experience and a proven track record of delivering more than 500 successful projects spanning corporate events, live concerts, exhibitions, brand activations, video content production and strategic communications.

Over the years, our team members have successfully delivered projects for esteemed organizations such as HCLTech, Vama Sundari Investment (Delhi) Private Limited, HYZERO, Airtel, LG Electronics India Limited, Alstom Transport India Limited, PI Industries Limited, Oil India Limited and Hero Group. These engagements reflect our expertise in creating impactful experiences and our ability to cater to the unique requirements of diverse industries and business sectors.

At AI Brand Exhibit, we bring together strategic thinking, creative innovation, advanced technology and meticulous execution to craft impactful events, compelling content, immersive brand experiences and integrated marketing solutions aligned with each client's unique goals.
